Subject: Bonsmara data

Date:

From: "Julia Aras" <info@bonsmara.org.ar>To: <philna@studbook.co.za>

Good day Philna

How are you?

I need you to change some data of one of our breeders. In the database 0635981BON, the female LFV151021 is active again in the herd. The commercial breeder that bought it, changed it for another one, the LFV161049. So, LFV151021 active, and LFV161049 cancelled. The date of the transaction was 10/09/2018.

I don't have the BenguFarm install in my personal computer, so I'll try to load up the weights through Logix.

Kind regards and thanks for your help
