Hi Magda. I hope you are keeping well. Please can you help me with a few things. PD16-155 was meant to be transferred to Impact Beefmasters 2 years ago. He is not on either of our per capita. Please can you find out what happened to him. I also have a Bos 188102, 188708 and 188048 on my per capita. They had no tags when I bought them and I need to brand them. Please can you look up their dams for me. Also do you know who is doing the next FW article? Dankie. 😊
