Hi Lea

Onderstaande brief versoek asseblief regstellings op 'n moeder en geslag van die ander kalf.

Bulkalf JOY 190144 se ma is JOY 13 0122 en nie JOY 13 0120 soos op Logix nie.

Bulkalf JOY 190112 moet asseblief verander na VROULIK.

Dankie Groete

SUBJECT: ERRORS

Good morning Evelyn,

Please can you change JOY 13 0120 calf no JOY 190144 (male), that calf belongs to JOY 13 0122 NOT JOY 13 0120.
We must have made a mistake in the calf book and entered her incorrectly . JOY 13 0120 has just calved in Autumn
and will be part of our next birth Notifications.

Also, calf JOY 19 0112 is a female not a male as appears on our weighing list, please could you also change that.

Thanks in advance.

REGARDS
