Subject: REINSTATE CALF HAS19 083

Hi Engela,

Trusting all good and well.

Will you kindly assist us to reinstate this bull calf HAS19 083.

The calf was presumed missing and so I registered it as dead. The ear tag came off and ripped the ear and so was always incorrectly read as another number. Our oversight was not to read the tatoo.

HAS19 083

Comp no: 0089187777

Thank you for your assistance, apologies for any inconvenience caused.
