Hi Naomi.

Trust you are well and coping with this difficult lockdown.

Only GBH 160028 & GBH 1300330 are SP cows so we must record them for registration and I will speak to Leizel about getting them inspected.

Let me know if that is in order.

Kind regards Howard Long.

Hi Howard

Hope you are well!

Please find a list of the 2019 calves without computer no's as their mothers that need to be inspected
