Hi Marietjie

I trust that you are well.

You can mark these bulls as loan bulls or as AI bulls. I give Doug Fletcher permission to register calves from these bulls.

Regards
Carl

Hi Siebert

Al twee bulle was nog nooit in Douglas se naam of gemerk as leen bulle nie en die is nie KI bulle nie. Albei bulle was nog net KP Miles & sons se naam. As dit KI bulle moet wees sal dit deur die Genootskap moet kom date k hulle kan KI bulle maak.

Dankie en lekker dag!

Please find the 3 generation database of the 2 bulls that you use for AI.

When you load this database on your Bengufarm , make sure that you make this 2 bulls active in your herd . (you will get under non active) Also mark them as Herd Sire on the same screen.

Marietjie sal jy ook aanteken dat die 2 bulle n mede eienaar het .
