Hi Rampie

Kan jy asb die kudde naam by sit ons ken nie die telers op hul name, dat ons kan gaan kyk vir rekenaarnommers en die diere oordra as dit moet. Die oordragte vat lank die stelsel is stadig en ons kan nie al die diere oordra van Frans nie moet seker maak dis net die diere op die tst dus word dit dier vir dier gedoen

Groete

Rita
