Good afternoon Marietjie,

I trust you are well.

I have looked into the animals that are pending registration and have inputted the 12month figures for the following:

- GBK191420
- GBK191424
- GBK191426
- GBK191429
- GBK191421
- GBK191423
- GBK191425

GBK191408 I cancelled on the 29/05/2020 as this animal is missing.

I also noticed that GBK191426 is registered as female, please can you change this to male. I apologies for the inconvenience.

Should you require any further information please do not hesitate to contact me.

Kind regards
