Good afternoon Siebert,

Thank you for your email. And I am sorry that I have taken so long to get back to you. I have tried over the weekend to input all the information into Logix but it doesn't want to let me login. Therefore I have filled in all the data onto the sheets that you sent me and added two sheets with birth notifications and cancelations.

Also I bought four animals on the Midlands Angus Sale last year that I see have not been added to my inventory.

The animals are:

Lot 35 - PA170953 - Computer Number 0087312286
Lot 26 - FW180026 - Computer number 0087518759
Lot 28 - FW180038 - Computer number 0087519161
Lot 29 - FW180054 - Computer number 0087519104

Many Thanks

Regards

Shaun
