Subject: Irwin / Bungaree Red Angus - Notification of calf born dead: AANFDW191903

Hello Marietjie,

I'm not quite sure how to do this – the calf was born dead. Please will you record the birth for the cow's progeny records.

Dam: DW090702
Calf Number: AANFDW191903
DOB: 6 Nov 2019
Calf mass at birth: 32kg

Would you let me know if you need any other info please.

Thanks
Kate
