Hi Marietjie, kan jy nie sy naam MZONDO insit waar BoxerBox120590 dan kan hy dit by die naam ook soek nie? Anders moet hy maar die rekenaar nommer gebruik😊

Subject: BULL DETAILS

Hi Marietjie, one of my stud bull details does not seem to working correctly on logix.

When I insert a birth notification and use the Bull ID, it does not find the bull. If I use the computer number then it finds the bull.

The bulls details are:
Computer number: 0082336850
Brand: BOX 12 - 590
ID: should be : NGI M BOX 120590

Name: should be: MZONDO

Could you please rectify for me.

Let me know if you receive this email.

Regards

Peter
