Good Morning Xolie,

Please send the 2021 animals birthdates. They must be 10 months or older with inspection.

On the second page line 1 and line 13, the animal appears twice - 17 90. Please change one of these animals sequence number(90) by adding another number. For example 17 190 or what you prefer.

The rest of the animals are registered. I will send you a per capitalist as soon as the 2021 animals are captured.

Herewith my direct contact details - 051-4100916.

Kind regards / Groete
