More Rosa

Can you please sort out sex of calves. I've been trying to sort this calf out for a long time now.

TT 18-50 is a bull calf and Dave Mullins inspected my animals yesterday and 18-50 still comes up on the inspection list as a heifer calf.

TT 19-63 is a heifer calf but she is on my weaning list as a bull calf. Can you change that for me please. reg 0089648141

Weaning

TT 19-106 reg number 0090281254 weaned 2/4//20 weight 237

Baie Dankie

Steve
