Goeie more Wilanna

Wanneer ek my per kapita oopmaak op Logix, verskyn 5 van Walter Finlayson se diere bo-aan.

Ons is die keeper van sy diere, maar dit behoort beslis nie aan Rhodes nie.

2 van hierdie diere is reeds uit die kudde – H1401 (dood 2/6/2020) en H1412 (verwyder na ander plek 26/3/2020).

Kan jy asb. daarna kyk en die regstelling maak?

Baie dankie
