Are there any other possible sire candidates for these?

The only sample not on the list is ZOBOS20-00538 – AJS180017, the sire assigned for this sample is C17-12062- TOR100135. The DNA profile certificate and parentage certificate for this was sent on the 06th April 2020, please let me know if you would like me to send the certificates again.

Kind Regards
