Subject: Perkapita Lys

Dear Participant

It is again per capita time at SA Stud Book and we please need your urgent co-operation in this regard.

As has become customary, the per capita lists are send out by means of an email to give you opportunity to check them carefully and get them up to date in time for the invoicing, based on live animals, taking place on 1 July 2023.

Please find your electronic per capita attached, to be verified and corrected where necessary. Note that PEN (pending) animals will also be invoiced. It is therefore important to rectify the status of these animals and sending the corrections through as soon as possible.

The per capita is also available on Logix under "Reports". Click on "Inventory" and download your inventory from the "Inventory list".

Notifying Stud Book of corrections can be done in one of the following ways:

1. Print the attached list, do the corrections by marking them on the printout and send it back to SA Stud Book, at PO Box 270 Bloemfontein 9300. Please remember that the list must reach Stud Book before 15 June.
2. Use the electronic per capita function on Logix. Go to "Data input", "Cancellations", pick "Electronic Inventory list" and do the corrections live, online on the screen. Select the animal in to be removed from your list, choose the date and the reason for culling from the dropdown box. After working through the list, click on the "Submit changes" button. The animals will be cancelled within a few minutes on the system. You can, for control purposes, download the Inventory list later the day to verify the changes you made. Breeders have access to their own inventory list on Logix. It is recommended that breeders keep their per capita updated throughout the year. Please make sure you do it before 1 July.
3. Submit your herd's cancellations with your Farm software program as was done in the past.

Please confirm receipt of this e-mail by replying on the "read confirmation" option on the e-mail. If you do not confirm receipt, another reminder will be sent again next month.

Please contact me if you have any questions. It is important to note that you will be invoiced for all the animals on your per capita as at 1 July. Timely correcting your list is very important.

Kind regards
Herman Labuschagné
