Geagte Deelnemer

Dit is weer die per kapita tyd van die jaar by SA Stamboek en u dringende aandag word asseblief verlang.

Stamboek stuur hierdie jaar weer die per kapita's per epos uit sodat die getalle van lewendige diere aangesuiwer kan word vir fakturering wat plaasvind op 1 Julie 2023.

Aangeheg hierby ontvang u 'n per kapitalys vir u kudde. Gaan dit asb noukeurig na en stuur die nodige regstellings deur. Die per kapita is op Logix beskikbaar onder "Verslae". Kliek op "Inventaris" en onttrek u inventarislys, indien u dit self wil bekom. Let asseblief daarop dat PEN ("pending") diere gefaktureer word. Dit is dus belangrik dat u die regstellings vir PEN diere onverwyld doen.

U kan een van die volgende drie opsies volg:

1. Druk die per kapita uit, vul dit in en stuur dit terug aan SA Stamboek by Posbus 270 Bloemfontein 9300, soos in die verlede. Let asseblief daarop dat dit Stamboek nie later nie as 15 Junie moet bereik.
2. Gebruik die elektroniese inventaris funksie op Logix. Gaan na "Data-opname", "Kansellasies" en kies "Elektroniese Inventarislys" en suiwer die diere aanlyn aan op die skerm. Selekteer die diere om te kanselleer en kies die rede van die kies-aksie af. Sodra al die diere wat gekanselleer moet word op die lys aangedui is kliek op die "Submit changes" knoppie. Die diere sal dan binne 'n paar minute gekanselleer word op stelsel. U kan vir kontrole doeleindes later die dag weer die Inventarislys genereer om seker te maak dat al die geselekteerde diere wel gekanselleer is.
3. Stuur die kansellasies van die diere wat gekanselleer moet word na Stamboek deur u plaas sagteware program.

Erken asb ontvangs van hierdie e-pos sodat daar kontrole gehou kan word van wie dit ontvang het. Indien u nie antwoord nie sal 'n soortgelyke epos weer aan u gestuur word. Skakel gerus indien u enige navrae het. Let asseblief daarop dat u op 1 Julie gefaktureer word vir al die diere op u per kapita lys.

Daar word vertrou dat die per kapitas hierdie jaar weer vinnig en effektief afhandel sal word.

Vriendelike groete
Herman Labuschagné

Dear Participant

It is again per capita time at SA Stud Book and we please need your urgent co-operation in this regard.

As has become customary, the per capita lists are send out by means of an email to give you opportunity to check them carefully and get them up to date in time for the invoicing, based on live animals, taking place on 1 July 2023.

Please find your electronic per capita attached, to be verified and corrected where necessary. Note that PEN (pending) animals will also be invoiced. It is therefore important to rectify the status of these animals and sending the corrections through as soon as possible.

The per capita is also available on Logix under "Reports". Click on "Inventory" and download your inventory from the "Inventory list".

Notifying Stud Book of corrections can be done in one of the following ways:

1. Print the attached list, do the corrections by marking them on the printout and send it back to SA Stud Book, at PO Box 270 Bloemfontein 9300. Please remember that the list must reach Stud Book before 15 June.

2. Use the electronic per capita function on Logix. Go to "Data input", "Cancellations", pick "Electronic Inventory list" and do the corrections live, online on the screen. Select the animal in to be removed from your list, choose the date and the reason for culling from the dropdown box. After working through the list, click on the "Submit changes" button. The animals will be cancelled within a few minutes on the system. You can, for control purposes, download the Inventory list later the day to verify the changes you made. Breeders have access to their own inventory list on Logix. It is recommended that breeders keep their per capita updated throughout the year. Please make sure you do it before 1 July.

3. Submit your herd's cancellations with your Farm software program as was done in the past.

Please confirm receipt of this e-mail by replying on the "read confirmation" option on the e-mail. If you do not confirm receipt, another reminder will be sent again next month.

Please contact me if you have any questions. It is important to note that you will be invoiced for all the animals on your per capita as at 1 July. Timely correcting your list is very important.

Kind regards
Herman Labuschagné

Hierdie PDF verslag vervang die PDF verslag wat voorheen op papier uitgegee is. Dit sal meebring dat die per kapita fooie wat verhaal word verlaag kan word vir die elektroniese weergawe.

As u nie hiermee tevrede is nie en nogsteeds die verslag op papier wil he kontak asseblief vir Herman Labuschagne. E-pos : herman@studbook.co.za
