Hi Ann,

Please can you transfer the following bulls to Skietlaagte from Vigorex 670230 ?

JS19/11
JS19/17
JS19/25
JS19/45

Then David Mc Call says the following heifers that were bought from me a while back do not appear on his list in Logix. These are JS18/05 and JS18/07. I sold them to Skietlaagte with the other 2018's. As you know Logix is not working at the moment so I cannot check if the above heifers have been taken off my name and transferred to Skietlaagte yet.

Regards,
James
