

Hi Liezel, I purchased CSA 18-140 from Rustin on 16\6\22. They transferred GRB 18-140 in error. I have asked Rustin to please sort out the error but now see that CSA 18-140 has been canceled.

Please can you reinstate CSA 18-140 and transfer her into my name and then transfer GRB 18-140 back to Rustin from my name. Thank you.

There is also GRB 18-04 who is registered in my name but not showing on my herd list. Thanks.
