Hi Marietjie

ATT80626 (~0 B)

During the first part of
 Lockdown I sent you a mail
 asking why R11150 was cancelled
 but did not receive an answer

I would have understood that
 you may have cancelled her a
 few years ago as she only
 calved every second year after
 moving her from the Free State,
 but why cancel her now. Her
 last few calves have been on
 the 16 September 2018 a very
 good Male ST1818 and the last
 calf was 16.5 months later on
 the 1/4/2020 ST2016

Thank you
