Dear Ms du Toit

REQUEST FOR EXEMPTION FROM PRE-BREEDING CONTAGIOUS EQUINE METRITIS (CEM) SURVEILLANCE REQUIREMENTS TO REGISTER FOAL DOEPS SUZY'S KING

Reference is made to the application sent by email dated 1 February 2023 by SA Stud Book for exemption from a pre-breeding CEM clearance certificate.

The Director: Animal Health hereby informs you that exemption from the requirement for a pre-breeding CEM clearance certificate for the American Saddlebred horse "Doeps Savanna Dry" is granted for the registration of the following foal only:

Doeps Suzy's King

SA Studbook Computer number: 0013419411

CEM Certificate reference: S0360

Date of birth: 23 March 2023

Breed: American Saddlebred Horse

Sire: Doeps Savanna Dry

Dam: Jonazell Spider Girl

Doeps Suzy's King has been tested for CEM and her CEM clearance certification has been

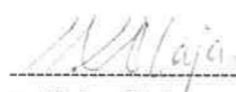

provided. The owner has confirmed that Doeaps Savanna Dry has died and proof that he has been cancelled from the SA Studbook system has been provided.

If SA Studbook or the breed society becomes aware of any breeding taking place or of foals produced from Doeaps Savanna Dry after the date of death these entities are required to:

1. Notify the Director: Animal in writing within 24 hours at PA.DAH@dalrrd.gov.za and KerryL@dalrrd.gov.za;
2. Suspend registration pending written approval by the Director: Animal Health;
3. Provide the Director: Animal Health with all relevant contact details for the owner or manager of the property and the owner of the horse. Please forward such in writing to PA.DAH@dalrrd.gov.za and [Please note that this exemption does not in any way alleviate the requirements for registration as set out in any other official document or from compliance with any other relevant Act of the Republic of South Africa.](mailto:KerryL@dalrrd.gov.za.</div><div data-bbox=)

We thank you for your kind support

Yours sincerely,

Dr Mpho Maja
