Hi Nina

Hope you are well in this chilly weather.

We made an error with the calf from cow LAR15-236, thinking it was a commercial cow, so we didn't register its calf.
Please could you register the following calf if possible.

Calf; LAR19-428
Dam; LAR15-236
Sire; LAR16-032
Male calf
Born; 22/11/2019
34kg birth mass
Wean weight 200kg
Wean date 01/06/2020

Many thanks

Kind regards
