Hi Nina, i trust you are well?

Please help me correct capturing errors on my side.

- 1.GED 19/78 was captured as a Female , but in fact was a Bull - please correct.
- 2.GED 19/19 was captured as a bull, but in fact is a Heifer. Also she was captured with incorrect parentage - the correct parentage is Sire GED 13/50 and Dam GED 09/47 - can you please correct.?

Thanks Nina.

Regards,
Gary Diepraam
