Good afternoon Ann,

I refer to your email received earlier today with the attached document/error report which leaves me puzzled. If you scroll down, you will be able to read my email dated 18th June which contains a list of animals I requested her to transfer to Kwamakatini Ngunis and thus see that VEN16-29 is not listed thereon. I had to send the list of animals to be transferred via email because it was impossible to do it directly using Logix. I look forward to your response.

Regards,
Michèle Schmitt

Goeie middag Marietjie

Michelle het my gekontak, onderstaande dier is nie oorgedra aan Kwamakatini Nguni's (0674400, NGI) nie, sal jy asseblief die dier oordra?

VEN16-43

Baie dankie
