Yes please re—instate the dam WJY 18206 ETON 04, reg number 0087209664 born 8/7/2018.

I don't know why she was cancelled on 24 Jan 2019. She is alive and well.

She was not on the cancellations sent 23 / 1/ 2019 and so please can this re-instatement be corrected without us being charged, as it was not a mistake on our side.

Regards
Jane
