Hi Marietjie

I hope this finds you well.

WE15 063 had a male calf on 12/08/20 out of AV15 184 which I ticketed WE20 037, marked as ERROR

LPA16 017.....Male.....18/09/20.....WB17 386.....WE20 071
NK 14 037.....Male.....23/09/20.....WB17 386.....WE20 075
HOL13 013.....Still born.....WB17 386.....WE20 104
LPA13 008.....Female.....27/09/20.....WB17 386.....WE20 077
CP14 7874.....Female.....30/09/20.....WB17 386.....WE20 078
CP14 7783.....Male.....30/09/20.....WB17 386.....WE20 079

These were all marked error, I presume that this might be because of the bull?
This bull Slam Dunk WB17 386 was bought by BEER Beef and because we run our studs together we use him in the MAPASSA Stud as well.

Please can you help me, I have a few more calves to be born from this bull!

Enjoy the weekend

Regards
Warwick
