CONDITION

TOTAL: 14900

- a) Certification by the exporting country that the number of unfrozen (live) spermatozoa per dose complies with the minimum amount specified on the reverse side of this document.
- b) DNA profiles must be provided to the Registrar of Animal Improvement, and the relevant Breeders Society before release from quarantine, if not available at time of importation.

This authorization is subject to the compliance with the veterinary requirements set out in the attached permit and is also subject thereto that the intended importation meets with all the provisions of the said Act. This authorization does not exempt the importer from the provisions of any other law. This authorization may withdrawn by the Registrar should any false information be discovered in the application. This authorization is also not transferable. Imported semen shall under no circumstances be transferred, sold, given or donated to may other person or body unless prior written approval from the Registrar has been obtained. Any such approval shall be considered as new application for the importation of semen.

Subject: JSE - saad op aansoek maar geen pedigree's nie

Tessa

Op die SEMEX aansoeke is saad wat nog nie by ons opgeneem is nie, en hier was ook geen pedigree's en DNA profiele aangeheg nie.
Ek bring dit net onder jou aandag.
