RULES FOR SALES HELD UNDER THE AUSPICES OF THE BORAN CATTLE BREEDERS' SOCIETY OF SOUTH AFRICA

1. Introduction	3
2. Application to hold a sale under the auspices of the Boran Society	3
3. Requirements for animals: embryos and semen on offer	4
4. Cuckages	5
5. Screening	6
6. Duties of the auctioneer	7
7. Disposal of Sales	8
8. Commissions and Fees	8
9. Buyers	9
10. Sellers	9
11. General Rules	9
12. Requirements for Internet/Online Auctions	9

3.1.17 Cattle that are not Blackhead susceptible may under no circumstances be offered at the auction.

3.2 Animal Health

3.2.1 All animals offered must have been tested negative in respect of CA and TB as soon as possible to the sale date, but not more than three months prior to the date of the sale.

3.2.2 Cattle sold at Post-mortem (PM) are exempt from TB and CA tests.

3.2.3 If any of the animals offered for sale test positive for CA, TB, or any other disease, all the animals offered for sale by the breeder must immediately be withdrawn from the sale, and the offer must be withdrawn.

3.2.4 Pregnancy cards, if any, showing number of months pregnant, must be presented to the auctioneer and must correspond with the information given to the office when compiling the catalogue. The pregnancy certificate may only run older than three months prior to the date of the sale.

3.2.5 Weighing scales must be used to weigh the calves, bulls, two-year-old heifers and other stock.

3.2.6.1 Bulls must be tested for a variety of diseases, including but not limited to: BVD, IBR, and any other disease that may be transmitted to other animals.

3.2.6.2 Bulls must be tested for BVD, IBR, and any other disease that may be transmitted to other animals.

3.2.7 If a semen from bulls registered and exported with the Society, registered in accordance with the Animal Improvement Act No. 1 of 1958, have CBA, parental vertical on and selected by a registered semen collector at a registered semen station, may be offered for sale, provided included in a list of animals to be sold at a sale. The applicable certification from the semen station must be submitted to the Society at least 28 days prior to the date of the sale.

3.2.8 The health and pregnancy certificates must be submitted by the seller to the auctioneer prior to offering the lot at the sale. All animals will be offered as the sale facility, if the certificates are not presented to the auctioneer in the required time prior to offering.

3.2.9 Cattle that are not Blackhead susceptible may under no circumstances be offered at the auction. Cattle that are not Blackhead susceptible may under no circumstances be offered at the auction.

4 Catalogue

The catalogue is to be a successful sale and in the seller's marketing program. For this reason, it is important that the seller plan their sales well in advance. To provide the required service to the seller's clientele, the seller must be enforced by the society so as to meet the objectives outlined in this document.

4.1 The seller is required to submit the required information to the Society 28 days prior to the date of the sale. Example: If the auction is on the 30th day, the latest submission date will be on the 2nd day.

4.1.1 Only animals that are: the following requirements can be included in the catalogue:

4.1.1.1 appear on the legal report of the Agricultural and Pastoral Board and have the status of a registered animal in the seller's name. The exception is where the seller is a seller of animals, but younger than 15 months, the cat can be included in the catalogue with the CBA status as a lot.

4.1.1.2 and in the sale of the lot on the day of sale.

4.1.1.3 have a pregnancy certificate less than 730 days.

4.1.1.4 have a pregnancy certificate less than 730 days.

4.1.1.5 have a pregnancy certificate less than 730 days.

4.1.1.6 have a pregnancy certificate less than 730 days.

4.1.2 If a seller's animal is only 12 months old, it must be presented to the CBA in one collection form report within 4 days after the first time it is sold. The report will be of 1000 will be charged per lot to cover administration costs. If an animal's subsequent (typical) will, another animal after the first date, a fee of 1000 will be charged per lot to cover administration costs.

4.1.2.1 The line entry request form will need to be completed and submitted to the office.

4.1.2.2 The fee will be waived and charged to the breeder's record and will be payable over 4 days after the animal is screened off at the sale.

4.1.3 The seller must provide all the relevant information required on the entry form.

4.1.4 Upon request on the sale and entry information, the Society will check the history and submit a concept sale catalogue entry. It is important that the seller of the sale to the sale agency for approval. At the time of 5 days of working days, all the information to submit any changes that are required. The Society will then submit the catalogue to the auctioneer, who will then submit it to the sale date.

4.1.5 Should any information provided by the seller to the Society, the catalogue, change between the date of submission in 4.1.3 and the date that the sale is upon the breeder to advise the office. The auctioneer and the auctioneer responsible for the marketing of such changes prior to offering.

4.1.6 The sale catalogue will conform to the SA Statute Book.

4.1.7 All the breeder's registered animals for sale will be listed in the sequence in the catalogue.

4.1.8 The rules pertaining to the sale are provided under the auspices of the Society must be published at the front of the sale catalogue.

4.1.9 No changes to the catalogue can be made after the entry date has expired.

4.1.10 The sale catalogue provides an accurate picture. This document will be used by the inspectors for the recording of the animals offered for sale.

4.1.11 The following applies to the breeder's information on the catalogue:

4.1.11.1 The comments box is limited to a certain number of characters. Where relevant, the information below must be completed and submitted to the auctioneer.

4.1.11.2 Pregnancy must be recorded accurately.

4.1.11.3 If a cow is sold, the seller must record the date, the number and the sex must be recorded.

4.1.11.4 If the cow is pregnant, it must be recorded into the possible sex of the calf will be and how far along the pregnancy. The possible sex of the calf must be recorded.

4.1.11.5 If the calf is a bull, it must be recorded into a bull, the bull must be a descendant of the seller or a bull bull to him. The bull must also be recorded.

4.1.11.6 After the sale, further comments from the breeder can be recorded.

5 Screening

5.1 The purpose of the screening is:

5.1.1 to verify the identification of the animal on offer.

5.1.2 to assess the animal for functional traits and compliance with Society's minimum breeding standards.

5.1.3 in which the animal has been flagged by the administrative office with a red mark on the animal's ear.

5.2 The maximum number of animals that can be offered for sale is 1000.

5.3 All animals for sale must be registered with the Society's minimum breeding standards. The minimum breeding standards (MBS) will not be applied to the sale. The minimum breeding standards (MBS) will not be applied to the sale. The minimum breeding standards (MBS) will not be applied to the sale.

5.4 All animals must be available for screening on the day before the sale. The Bureau office will appear three times for screening animals on the day before the sale. The Bureau office will appear three times for screening animals on the day before the sale. The Bureau office will appear three times for screening animals on the day before the sale.

5.5 Only the auctioneer's representative will be allowed to accompany the nominated inspectors during screening.

5.6 The inspectors will advise the seller of any animals that have been screened at the sale.

5.7 Sellers must be present at all sales on the day before the sale. Should sellers not be present, the information will be given to the representatives of the auctioneer.

5.8 The inspectors will advise the seller of any animals that have been screened at the sale. The inspectors will advise the seller of any animals that have been screened at the sale. The inspectors will advise the seller of any animals that have been screened at the sale.

5.9 A breeder of a single bull, bull, and heifer that had screening and have either of the following two options:

in the same way as in the case of the $\mathcal{H}_2$ norm.

total time) is at least 200 ms.

(b)3. Where remanents are involved in Microdivisions, the identity numbers of the possible remanents must be supplied and exact positive size must have a Data table (two numbers) recorded.

10-4 All registered births (1994) in the local area; large 2000 birth record in logic

NO. 5 For all entries that require a pass must be verified by (initials and date) / (signature) (Name) both S & and DM's verification is encouraged.

II General Rules

11) An artist who sold most of the paintings he presented at the day of the sale, the Society reserves the right to demand satisfaction of the buyers regarding any amount withdrawn, due to that in the case of cash and the subsequent liquidation of the artist.

¶ 2. All applications for order forms of sale (e.g., internet sales) under the purview of the Society should be submitted to the Society in sufficient time to allow for the printing and application of the given bar number in this document.

12 Requirements for Internet/Online Auctions

17) There must be a time span of one day between the closing date of interest/price sales and the next salary date.

4.2 All applications for internet/cable licences should be submitted (electronically and in writing) to the Council with the relevant practical information of the principles contained in the rules set forth. Indeed, the acceptance of the new Cable Broadband Society of South Africa, the sole licensing costs for internet/cable licences will be shared by the seller. Licences of internet/cable licences below an internet/cable licence, must be done within two weeks prior to the auction. Please submit your request for a soliciting in writing to the Technical Services Department and a licensing will be arranged accordingly.

12.2.2. The veterinary certificate for international movement must be received by the office not less than 10 days before the beginning of the activity. This certificate includes: breeding animal was tested for brucella, vaginal fluids tested for brucella, individual serological examination of animal samples is built and certificates for testing of the composition. Viruses CA and TB models and format. Animals will not be sold if the concentration is not indicated in time. The same requirements apply as stated in the requirements for animals held under the same no. 12.2.2. Animal (14th)

17.4 All other rules in this document also apply to Internet/online auctions.

1000

The successful launching of Baran's aid aims is an important signpost of our members' economic success. For this reason, all steps must be taken to ensure that the Royal Aid aims are broad, simple, and our requirements of quality. This is only way we can build the trust of the target markets, and our members are expected to conduct themselves with integrity and with the shared values and ethics of our fellow travellers on the Society's plane. Contact the Society if a project member should you have any suggestions on how to improve what, under the auspices of the Society, they wish to do for a successful take.

ly of a couple neither should you have any suggestions on how the members of the Society. Best writers for a business card.
